## February 2021 Newsletter

### President's Message

Happy Valentine's Day! Let's show our spirit by putting any painted Valentine paintings on our SSTDP social media pages.

Thank you to Christine Hilton for teaching us about painting flowers on denim in January. She did a tremendous job teaching. Everyone who attended the class did a terrific job on a variety of surfaces. Now in February Rayma Stewart from California will be teaching painting and color penciling on the THIRD Saturday of the month. Then we have Kaye Singer in March and Judy Gibson in April. See Kaye Singer's article about all the programs I just mentioned. We have a different sign-up process, so be sure to read this month's Newsletter.

We are working hard to streamline the Program Chair's duties and request a member to step up and take over that

position. You are welcome to modify the position to work for you. It has been very difficult for us to fill the position because we are unable to meet in person and it is very easy to not participate. As we all know, it takes a village to run a volunteer organization.

Thank you so much to Sandy Kilgour and Sharon Shuster for auditing our books this year. That is the last thing to be done to submit the required paperwork to SDP. Thank you to Kaye Singer for taking

the lead on this.

Our year has started off well and I hope it will continue throughout the year. If you have not yet printed off the yearly calendar of projects it can be found on our SSTDP website.

Happy painting!

### Membership

We need your SSTDP Chapter dues paid as soon as possible. If you have decided to not participate in 2021, please let me know so I can adjust our membership list.

Please check out our project calendar on our website ([SSTD P.ORG](http://SSTD P.ORG)) to see the fun

projects scheduled for this year. We hope to be meeting at the church soon. However, our Zoom classes also gives us the opportunity to see, talk, learn & paint together.

Hope to see you all soon!

### Ways & Means

Congratulations, LEE ANN, winner of our January raffle!

At our February chapter meeting on Zoom, I'm going to have a painted piece for auction. Mary Kate Erickson donated the toilet paper holder to the right. It is beautiful.

During the meeting, please post your bid. The highest at end of meeting wins. Good luck!

## Programs

We need someone to help with Programs!! In the meantime, there is an interim procedure change for paying the class fee and signup.

Sign-up with your check made payable to SSTDP and indicate in the "For \_\_\_\_\_" at the bottom left the class / month and mail to:

### **February: Pumpkin Topiary** **(Note: Workshop date is Feb. 20)**

There is still time to sign up for our Feb. Zoom class, Pumpkin Topiary with Rayma Stewart, an Erika Joanne certified teacher. The class is \$20 and there is a \$12 pattern fee. Please include this amount in your check to SSTDP, for a total of \$32, unless you already have the pattern. The paper pattern from Erika Joanne will be available for pick-up at various checkpoints around the valley. Arrangements for pattern pickup will be made when your fee (\$32) is received.

### **March: Basket & Quilted Cat Still Life**

Sign-up anytime before Feb. 28 for this fun Zoom class with Kaye Singer.

If you want an open tray to paint for this project, let Kaye know no later than Feb. 15. A group order will be made. Cost is \$5.00. Arrangements for those ordering trays will be worked out as to pickup location and time. Instructions (including advance prep information) will be emailed upon receipt of the class fee.

As mentioned in the January newsletter, this project can be adapted to other surfaces. The paint and supply list were also included

in your January newsletter.

Send your check made out to SSTDP for the workshop fee - \$20 (\$25 if you are ordering a surface).

### **April: Winter Menu**

This cute piece will be taught by our own Judy Gibson! It is painted on a tavern sign board. The overall size is 12 x 21-1/2" x 3/4"; the inside painting surface is 12" x 14". Minimum painting area size is 12" x 12".

The wood is available at JB Wood Products, item number 90094, or you may have something in your stash. You do not need to purchase the stencil for the wording as Judy has included the lettering on the line drawing.

The surface is prepped with black slate chalkboard paint and requires 24-hour curing before you can paint the pattern on it.

The fee for this paint-in is \$15.00.

## Tole Month & Christmas Displays

The displays have been a great success this year. I hope everyone had a chance to go to the libraries and look at them.

Thank you so much to Patty Clark, Beth Buchwald, Pat Pillen, Terry Boyd, and Marthalene Roberts for helping to remove the Christmas display from two libraries.

This year's Tole Month display is scheduled to be put into the two libraries on Wednesday, September 15, and removed on Wednesday, November 10. We will not have a

Christmas display this year.

Please put the dates on your schedule for upcoming events and plan to come help us this year. We always manage to have a lot of fun on these days!

We also need a Chairperson for this committee as well. Any takers?? Call me.

## Seminars

Happy New Year, Ladies!

I will be the Seminar Chairperson for this year. I have been organizing and getting myself up to speed with the chapter seminar records.

So far we have a Rosemary West seminar scheduled for September 24 - 25 and Janice Miller in September of 2022.

These are planned to be in-person seminars, as neither of them teaches over Zoom.

I have painted with both of these talented ladies and they are a delight. Just google them to see what

wonderful designs they create.

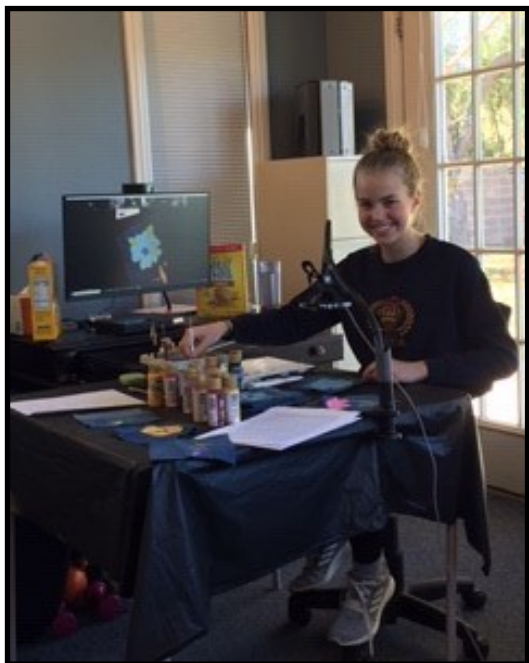

Hopefully we will gather together face-to-face in the church this year and be able to drink those creative painting vibes some time this year. I choose to be optimistic.

Meanwhile if you have any ideas for seminar teachers you would like, just send me information about them at [blucrowart@gmail.com](mailto:blucrowart@gmail.com) or [paintbox@shift6.com](mailto:paintbox@shift6.com).

Keep those brushes moving!
