October 2021 Newsletter

President's Message

Greetings, Everyone!

The cooler weather is FINALLY coming! We will be able to sit outside and paint for a few hours. And we have lots to paint.

Hopefully your project for the Rosemary West Seminar is prepped.

We only have to get our pattern prepped to be transferred to our wood for the Mary-Kate's October lesson. She will take us from the start of the project to the finishing touches. This will be great learning for our newer members and a good refresher for experienced painters.

In November, we'll have a silent auction of good pieces of wood. You won't want to miss this meeting. We will also be painting our Chapter pin for those who want to paint it. Please contact Jan Greene if you need a pin surface. Paints will be provided. For others who attend, Kaye Singer will teach a bird project.

We also have to paint a project for the Christmas party exchange. And hopefully you've painted a couple memory boxes to give to Nanette Hilton at the Christmas party.

Thanks to Janet Mitchell for the fun "Gnome Express" project in September! Such a fun class.

We had a good brain-storming session last month about how to keep the Chapter

going during the rest of the pandemic. We have another meeting this month, where we need to come up with a slate of officers and vote on them. Everyone needs to attend this very important October business meeting.

The Board will discuss options at our Sept. 30 meeting. One suggestion is to not meet in June - August, since these are low

attended. Another suggestion is to have fewer meetings during the year to reduce the feeling of being overwhelmed with a board or chair position. Also, find a co-chair to share responsibilities. If you are thinking about an office/chair, please call the current member holding that position and learn what is involved.

I asked for 2022 project submissions. So far I have one. We will meet on Friday, October 15, at 10:30 am at Patty Clark's studio to start arranging the monthly 2022 schedule. Our class for January is set and that is it so far. Please get in touch with me for questions or to let me know you are planning to submit, either at the general meeting or the meeting at Patty's. We need to have a completed project or a picture of it so we can make a decision.

I want to thank those who attended Pat Pillen's Celebration of Life. Lots of very positive/fun memories were expressed. She will be missed.

Happy painting!

At our Nov. 13 meeting, I will pass out a wooden Nevada-shaped surface, pattern, paints & instructions to paint chapter nametags. Let me know if you do not have a nametag & want to participate. I need to know how many members are interested, as I need to make sure there are enough materials for everyone. Please send me an email or text to let me know if you want to participate. There is no cost for the materials.

Also remember that we are getting close to the end of the year. I will be collecting membership dues for 2022 shortly.

See you all at the meeting on Nov. 13!

Stay healthy, safe and happy!

Ways & Means

Happy very soon to be FALL! My favorite! I will have two raffles this month for you to invest in. If you have a donation for a raffle, please feel free to do so just in case you see something you can't live without at the Unfinished Surface Silent

Auction in November. You have to fill those empty spots. Remember that collecting items is a hobby too. I will send an email with the criteria for auction donations.

OCT. 9: “JOY” plaque designed by Shara Reiner & taught by Mary-Kate Erickson

This is a beginner piece and no prep work is required.

Mary-Kate will teach us the proper way to seal our raw wood, basecoat, transfer the design to the wood, paint it, and finish it.

The board is an 8 1/2” x 13” oval, but certainly can be put on something you have in your stash. You can enlarge or reduce the pattern to fit your surface. The pattern is in the December 2012 Paint Works magazine. Bring your paints and regular supplies.

The fee for this workshop is \$20.00

If paying by Zelle, the fee using is \$21.00

NOV. 14: Lots of exciting possibilities!!

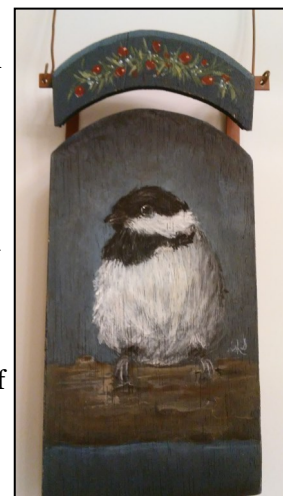

- **SILENT AUCTION** led by Marthalene Roberts (see the Ways & Means article in this newsletter)
- **SSDP NAME TAG PAINTING** led by Jan Greene. Paints, pattern and pin will be provided. Can't get any better than that! If you have a partially started or unfinished pin, bring it to the meeting to paint.
- **CHICKADEE ON A BRANCH** Designed by Lydia Steeves and taught by Kaye Singer. This is a Chapter Incentives pattern provided by the designer and SDP. Kaye has adapted the original piece, which was done in color pencil. This painting is done in DecoArt acrylics.

The cuddly, cute winter chickadee is painted on a sled from one of the W&M auctions! The painted area is 3-1/2”x5”; The sled pictured is 3-1/2” wide x 7-1/2” long. If you do not have a sled, you may choose any surface.

Contact Terry Boyd for the line drawing, prep instructions and brushes/supplies needed.

The November painting programs are FREE – yes that's right – **FREE!!!**
