### **PRESIDENT'S MESSAGE**

Hello Ladies.

I hope you have great plans this summer. Start it off right by signing up for our Birds & Bees Picnic which will include a great class with Cathy Frazier. There's also a Make it Take with Tonia Tracy...Plus fabulous drawings. The table decor to be auctioned is going to be the Bomb

and the food. No one can miss this!!

We had a such a great meeting in May. Sharon taught a great class. We had 20 in the class. The business meeting went smoothly.

Remember to sign up for Linda Sharp's class in September. She is a fabulous teacher and will make stroke work look easy.

The best part is Paula Schrivner and Catherine Sanchez have signed on as our Christmas Committee chair ladies. Whoop! Then as a bonus Sharon Shuster is our Seminar Chairman. We should have a fabulous seminar next year. She's really good at finding just the right teachers.

**Thank you everyone for participating, signing up for classes and just being there is the best reward. I appreciate ALL OF YOU!** See you at the picnic or September.

Plan on bringing your appetite, there will be a taco bar with all the fixings, desserts, fruits and refreshing drinks. ### ***JUNE PAINTING PROGRAM***

And, in keeping with the Birds & Bees theme, Cathy Frazier will be conducting a painting class, teaching the technique of painting a beautiful bee on a rock. So, plan on bringing a surface along with your paints to complete this fun project.

The Palette (DecoArt Colors):

Black; Brilliant Purple; Burnt Umber; Buttermilk; Doxazine Purple; Hauser Medium Green; Irish Green, Lavender; Leaf Green, Margarita; Matcha Green; Marigold; Purple Cow; Purple Pedal; Purple Rain; Warm White; Yellow Green

Supplies – A smooth rock or other surface of your choice, the paints listed and normal painting supplies. Optional: A lazy susan and a hand towel to cover the turntable. This will make it easier for you to turn the rock as you paint.
