PRESIDENT'S MESSAGE

Hello Ladies!

I hope everyone is doing well so far and enjoying the weather. I imagine a lot of painting is happening. This year is going well so far.

Thank you, Sharon Shuster, for the great class you taught even though the equipment was less than ideal. Pumpkins turned out beautifully. Please share on the Facebook group your finished project. We all enjoy seeing these pieces. If anyone is doing a zoom with others, it would be fun to show off your piece as well.

It will be St Paddy's Day the 17th of March. If you have a favorite lucky pic, please bring to the March meeting and share!

Your participation is much appreciated and is instrumental in keeping our fabulous club going. Thank you, lovely ladies.

Looking forward to seeing you all in March.

Marthalene

PROGRAMS (See pictures at the end of this newsletter) *(Cathy Frazier)*

If you missed Sharon Shuster's class in February, you really missed out. Not only did Sharon teach a great class, we had a baked potato bar, so none of us had to leave for a lunch break. It's always nice to have more time to visit.

March 9th we are having another great teacher, Kaye Singer, teaching her own design, "Basking in the Sun". Kaye says her design incorporates how to paint crashing sea waves along with using washes to create the cute turtles. Be prepared to learn a lot and have fun doing it! The cost to take this class is \$20.00. Contact me to sign up.

April Program – Let's Be Koi, designed and taught by Kaye Singer

May Program – Mouse Shirt, designed by Mary Owens and taught by Marthalene Roberts.

WEBSITE (Jeanne Harris)

The website has been updated with a few new pictures that represent the new group. If you have any pieces of art that you would like to share with the Silver State Artist group please send a good photo of them and I will post it on the web site <https://silverstateartists.org>

OPPORTUNITY DRAWING
ITEMS (Toni Downen)

WE NEED A SPONSOR FOR MARCH!!

Please call or text Toni Downen (702-277-6179) if you will volunteer to be a “sponsor” for the March meeting.

Support our club by donating a surface, a gift card(s) and /or a grouping of items from your “stash”.

We are asking people to donate things (perhaps something like basket or piece of wood and other items) as a raffle for each month. It can be baked goods, a single surface with patterns or nice wood that anything can be painted on, as well as gift certificates, etc. Please don't give an item that needs a specific pattern unless you include the pattern. We would like to have 3 drawings a month or more if possible. Thanks so much.
