PRESIDENT'S MESSAGE

Greetings, Fellow Artists,

October 11, 2025: It was a beautiful day for a fall picnic, and many hands made light work setting up. Thanks to all who helped. We started with a business meeting and addressed the issues at hand. We needed just a short break before completing our most pressing task, and some used this time to look at the class choices displayed for next year. Select others went outside for an impromptu meeting. The silent auction was also in progress. Success was achieved when, with class voting cards already in the ballot box and bids given on some very nice auction pieces (thanks Marthalene and all who contributed!), the nominations for 2026 were made, and a unanimous vote was taken on a new slate of officers.

Our new President is Mary Ann Flick, Vice President/Programs is Paula Scrivner, Secretary Jeanne Harris, and Treasurer Kaye Singer. I am beyond grateful to those taking positions next year, as it has been a blessing to be president this year and want our club to continue even if I can't in that position. Mary Ann will be busy filling these voting positions: Newsletter and Ways and Means, besides other vacant non-voting positions. If you can help, please let her know.

The day continued as Tonia's class was a lot of fun, and everyone's little Frankie was finished each with a personality all its own. Lunch was very good, with potato bar, chicken fingers, salad and desserts. Hopefully, you didn't miss it.

The class afterward went smoothly, and it was fun to paint; and bonus, we had a bit more time for chit chat. All in all, I think the day was what Silver State Artists as a group is all about--fun, laughter, and friendship!

See Paula's article below for news and events happening through the end of the year. Don't forget, a holiday party committee meeting will be held informally at the regular November 8th meeting for those of you involved, 10:00. Thanks to all!
