SILVER STATE ARTISTS

WHERE SOUTHERN NEVADANS GET TOGETHER TO SHARE THEIR LOVE OF ART

silver state

FROM THE DESK OF THE PRESIDENT

The March meeting of Silver State Artists was conducted for the first time at Lamplight Estates. Our departure from the church was received with understanding and the promise that if we ever needed to return we would be most welcome! Our gathering was casual and very productive, the ladies worked on projects that were not yet finished. There were lots of great snacks and everyone had a wonderful time talking and getting reacquainted, visiting and sharing help and ideas. If you couldn't make it you missed a good time.

The 2027 calendar is going to be an exciting change, art in various forms and subjects. We will be exploring pencil drawing, watercolor and the most stimulating aspects of art forms, one of which will be "Steampunk." If this is new to you, you're going to be amazed by this art form. The title of the class will be "Industrial Sculpture." I hope you will be attending this May class, where this will be taught by the generosity of our two new members, Jewlene Johnson and Sandy Baklajian. The May class will be FREE to all attendees, in the hopes it genders new enthusiasm with our group of artists.

Thank you to all who attended the March meeting, looking forward to seeing all of you in April.

Just a reminder that our new location is:

Lamplight Estates Community Center

7467 Grassy Field Court

Las Vegas, NV 89131

Gate Code: #7641

Kindest regards,
Mary Ann

We had a great time painting our UFOs at our new location, Lamp Light ClubHouse. It was very comfortable. Thank you Mary Ann!

May's "Winter Wonderland" was cancelled.

I want to thank Sandy and Jewlene for volunteering to teach a new project for May. It sounds like a lot of fun. Details below.
